

How to get to the Academy/University campus

Bus no. 3 stops heading from train/bus station to the institute

The workshop will take place at the Academy of Sciences and University campus, Branišovská street 31 (<http://goo.gl/maps/G74MI>). The best way to get there by public transport is to take **bus no. 3**, direction to “Máj”, and go to the stop “Jihočeská univerzita”. The bus goes from the central bus/train station and passes around the city center (http://www.dpmcb.cz/files/File/pdf/121209_schema.pdf). The tickets (13 CZK) can be purchased at most bus stops. You should go to the building labeled “Biologické centrum” (Biology Centre).
